

# **Paradise Cut Symposium**

*Hosted by the Lower San Joaquin/Delta South RFMP*

**9 a.m. – Noon, Thursday, September 11**

**Robert J. Cabral Ag Center - Assembly Room 1, 2101 East Earhart Avenue, Stockton**

## **Meeting Objectives**

1. Summarize the rationale for expanding the Paradise Cut bypass and summarize key findings of previous Paradise Cut modeling analyses.
2. Explore local acceptability for a range of Paradise Cut alignments and configurations
3. Provide a forum for local residents and landowners to express their ideas, concerns, and opinions regarding the proposal to expand Paradise Cut.
4. Preliminarily identify a list of unresolved issues and identify next steps

## **AGENDA**

- I. Introductions and meeting overview
- II. Summarize and discuss the rationale behind efforts to expand Paradise Cut
- III. Summarize and discuss key findings of previous modeling studies
- IV. Present and discuss map showing potential alignment and configuration of expanded bypass
- V. Identify and discuss unresolved issues
  - Approach for mitigating adverse hydraulic impacts
- VI. Next steps
